

Paediatric BASIC Course

Great Ormond Street
Hospital for Children
NHS Foundation Trust

9th & 10th January 2020
Two day course

Cost: £275

Location: Great Ormond Street Hospital

Book via: <https://courses.gosh.org/PaedBASIC>

Paediatric BASIC course is a 2-day course, covering essential and fundamental aspects of Paediatric Intensive Care.

The course consists of lectures, skill stations and tutorials focused on a practical approach to the management of critically ill patients.

Aimed at:

- Junior Paediatric Intensive Critical Unit (PICU) doctors with little PICU experience
- Senior trainees in paediatrics or emergency medicine
- Senior PICU nurses
